ASN2: Your RE Story

→ **10% of the total grade**

↳ An oral presentation whenever you're ready, but no later than Monday (July 25, 2022)

↳ Email the instructor (<u>nan.niu@uc.edu</u>) when you're ready, and the instructor will confirm your RE Story presentation date & time

↳ Each presentation is 5-10 minutes & **real-time**

↳ You shall prepare very well the supporting materials, e.g., slides, photos, etc.

↳ I will email your grade (out of 10), and my comments if any, after your presentation

Grading

What Makes a Good Story?

- Relatable characters
- Completed characters Arcs
- Conflict
- Show, don't tell
- Structure
- A Strong Beginning
- Great Dialogue

STORY

Grading

Requirements faults are common, annoying, costly to fix…

Requirements are rooted in problems (gaps between what's perceived and what's desired), so req.s drive innovation.

Requirements are not just solo but also social: one's needs & desires are someone else's nightmare.

YOUR

My RE Story #1

↳**S: <on, off> shall be paired up**

↳**R:**

- ➢ **Money free (reduced staffing)**
- ➢ **Less revenue loss**
- ➢ **Better tracking (better scheduling for better services)**
- ➢ **…**

↳**E:**

My RE Story #2

There is <u>no access to the 7th floor from this stairwell</u>.

Please use elevator or the other stairwell at the opposite end of the building.
